# SESSION 14: SPACE

## **TIMON**

Talk about your fixer-upper! And hyenas! I hate hyenas! So what's the plan for getting past those guys?

## **SIMBA**

Nala, rally the lionesses. You guys create a distraction. I'll deal with Scar.

#### **NALA**

Be careful.

(NALA exits as SIMBA sneaks around Pride Rock.)

#### **TIMON**

Create a distraction? What does he want us to do-put on a dress and dance the hula?
